Very hard to read: as Finale suggests

Beamed

Very hard to read: as Finale suggests

Beamed

Unnecessarily complicated and inaccurate:
This says: 2 quarter notes occur in the time of 3 eighth notes

Accurate, but still unnecessarily complicated

Simplified. Beamed to represent rhythmic subdivision

Most 5 is NOT 3+2.
It is closer to 2 big + 2 small

Beaming reflects 5 quarter notes

Beaming reflects 2 big + 2 small

Unclear subdivision with 5 slashes

Subdivision, Beaming & Odd Meter, p.2
